

## **Preface to the Language of Prophecy**

Today, we want to start with the "PREFACE" to "LANGUAGE OF PROPHECY"

which we believe the Lord in His mercy is leading us into this time around and we did promise at our last meeting.

"Language of Prophecy" examines, among other things, in a series of teaching, what is indicated in Revelation 1:1 as characteristic of the Book of Revelation.

Symbols, Figurative expressions, Spiritual imageries, Shadows and Types abound in the visions John received of the Lord. We are to understand that such is the language register employed throughout the Bible, especially in the prophetic portions.

To properly understand these series of messages, it is important to keep in mind that they were first given in a spoken ministry designed for use in the Television Programme 'Light In The Evening Time' which comes on air weekly. The spoken form is retained, and script being merely a 'transcribed' work with little editing. Several volumes, each covering related subjects, will follow this.

The main thrust in the delivery is to minister the present truth, which the Lord is commending His people to today, as He prepares the willing hearted.

Every reader would find each book a blessing. The more earnest ones will be brought into an encounter with Christ that releases to them 'the spirit of wisdom and revelation in the knowledge of Him'. For this, we are earnestly holding unto the Spirit of grace in prayers, and trust you would do the same. May the Lord richly bless 'YOU' for Himself and His Church, AMEN.

Beloved Brethren, we trust the Lord to begin with "LANGUAGE OF PROPHECY - PART 1" in our next meeting. We do covet your prayers - THANK YOU for having been praying. We look forward to being with 'YOU' then. Stay Blessed.
