Chorus

Thy soldier who would follow Thee

From subtle love of softening things

From easy choices weakenings

Not thus are spirits fortified

Not this way went the crucified

From all that dims Thy Calvary

O Lamb of God deliver me

From all that dims Thy Calvary

O Lamb of God deliver me

Give me the love that leads the way

The faith that nothing can dismay

The hope no disappointments tire

The passion that will burn like fire

Let me not sink to be a clod

Make me Thy fuel O Flame of God

Let me not sink to be a clod

Make me Thy fuel O Flame of God

For Zion's Sake will I not hold my peace

And for Jerusalem's sake will I not rest

Until His righteousness goes forth as brightness

And salvation as a lamp that burneth

Then the Gentiles shall see thy righteousness

And all kings thy glory

And thou shalt be called by a new name

Which the mouth of the Lord shall name

Thou shalt also be a crown of glory

In the hand of the Lord

And a royal diadem in the hand of thy God

Isaiah 62:1-3

Father I Thank You for all You have done

You gave Your Son freely for me

And I praise You for calling me drawing me near

Out of blindness You caused me to see

Spirit of life You are God's holy fire

You have kindled my heart with Your flame

And I know You're refining me Changing my life

And by faith You're revealing Your way

Jesus I need You as Lord of my life

I give all I have unto You

Lord I want to come under Your heavenly hand

And to praise You in all that I do

Our lives belong to Him We are His very own
He's girded us with power to cast old Adam down At Jesus' feet we'll cast all our

Anointed by His Spirit they are the Sons of God
The end time has arrived their works about to start
And of this Body I am a part

God has a people so beautiful and fair
His wisdom is their strength
His glory they shall share
His Spirit is their fountain His nature is their own
He never never leaves them alone

His love is spread abroad His glory all shall see
And for this purpose He has chosen me

I've Got A River Of Life

Flowing out of me
It makes the lame to walk and the blind to see
Opens prison doors sets the captives free
I've got a river of life flowing out of me

Spring Up Oh Well *within my soul*
Spring up oh well and make me whole
Spring up oh well and give to me
That life abundantly

All my sins forgiven in that precious tide
Jesus paid the price when for me He died
There's a fountain flowing from the Saviour's side

Ever interceding for His very own
Pouring down the blessings that are His alone
There's a risen Saviour at the Father's Throne

There's a Holy Comforter who's sent from Heaven
All the glorious gifts are His and have given

He'll show us more of Jesus 'til the veil is rived
There's a Holy Comforter who's sent from Heaven

There's a land of rest that we may enter now
Freed from all our works and
Freed from satan's power
Just resting in the Lord each moment
And each hour
There's a land of rest that we may enter now

There's a full salvation wrought for you and Me
From faith to faith and glory to glory Eternally
O Lord just take this life and let me live For Thee

Stoop down and drink and live
I came to Jesus and I drank
Of that life-giving stream
My thirst was quenched my soul revived
And now I live in Him

I heard the voice of Jesus say

Look unto me your morn shall rise
And all your day be bright

In Him my star my sun
And in that light of life I'll walk

My heart is cleansed by His blood

Fully redeemed at the Name of Jesus

Just one touch of the blood of your Son

Just one touch of the Spirit of life

Let us lift up our hearts with our hands
Lift our hearts with our hands

Because His compassions fail not
They are new like the dew every morning we live

Ps. 130:1,5-8

Open Our Eyes Lord we want to see Jesus
To reach out and touch Him
And say that we love Him
Open our eyes Lord and help us to listen

Open our eyes Lord we want to see Jesus

Open the windows of heaven around me
That the glory of love shines fully upon me
Open my heart Lord to receive Jesus
Open my life Lord and let it be Jesus

Our God is mighty

He provides for all my needs
And when all His ravens
Which have fed me are all gone
Then His hand shall care for me
And in His heart there I will dwell
For the Lord our God is mighty
He is more than life to me

Our God is mighty

And if earth should all decay
Then my hope is certain
My treasures are all safe
In Him would be my hope
And in His hand would be my strength
For the Lord our God is mighty
He is more than life to me

Our God is mighty,

His beauty and His grace
Are like precious ointment
Which heal us from our disgrace
In His hand He holds the key
For my life to be made free
I lay my life upon the altar
For He is more than life to me

The Day Is Upon Us

When God is calling us to fight
To drive out the devils and darkness in our lives
For this warfare is not carnal
But we are mighty through the Lord
So let us go forth in strength
And in the power of the Lord *Chorus*

Take Up The Sword and go forth
In the power of the Lord
For it's a mighty mighty weapon
And we must rise to loose its power
So take up the sword and go forth
In the power of the Lord
For His Word is within us
And it will never never fail

He's given us His armor He's given us His Word
He's given us His Spirit
And He's taught us how to war
His hand is upon us and His spirit leads the way
So rise up my children
In the power of the Lord *Chorus*

I have no need to fear the night
Nor terror it may bring
While I'm walking in the Light
I am walking with my King

A thousand may fall at thy side
And tens upon thy right
The terror shall not nigh thee come
For Jesus is thy might
A fortress and a tower is He
For all who dare to trust
Under the shadow of His Great Wing
Will He hide me from the night

When We Walk With The Lord

In the Light of His Word

**What a glory He sheds on our way
While we do His good will, He abides with us still
And with all who will trust and obey *Chorus***

**Trust And Obey *for there's no other way*
*To be happy in Jesus but to trust and obey***

**Not a shadow can rise, not a cloud in the skies
But His smile quickly drives it away
Not a doubt nor a fear, not a sigh nor a tear
Can abide while we trust and obey *Chorus***

**Not a burden we bear, not a sorrow we share
But our toil He doth richly repay
Not a grief nor a loss, not a frown nor a cross
But is blest if we trust and obey *Chorus***

**But we never can prove the delights of His love
Until all on the altar we lay
For the favour He shows and the joy He bestows
Are for them who will trust and obey *Chorus***

**Then in fellowship sweet we will sit at His feet
Or we'll walk by His side in the way
What He says we will do**

**Where He sends we will go
Never fear only trust and obey** *Chorus*

Psalm 65 vs 1

The Lord reigns (2X)
Let the earth rejoice (3X)
Let the people be glad
That our God reigns

YOU ARE MY DWELLING PLACE

You are my dwelling place
My tower of strength
And at your throne of Grace I humbly bow

You are my dwelling place
On you my heart will stay

DRAW ME NEARER TO THEE

Draw me nearer, nearer to thee

CHORUS

*If your presence doesn't go with us
Lord we don't want to leave this place
Lord we need you near, as we go from here
To lead us by your love and grace
May your presence fill us everyday
May your spirit lead the way
Lord to you we call, let your glory fall
And may your presence go with us*

If we have found favor in your sight
Show us your ways Oh Lord
'cause we want to know you
And live in your light
For all of our days, show us your ways

We have our hopes and we have our dreams
But we cannot go where you will not lead

(REPEAT CHORUS)

Lord to you we call, let your glory fall
And may your presence go with us (2X)

BE MAGNIFIED OH LORD!

*Be magnified Oh Lord
You are highly exalted
And there is nothing you can't do
Oh Lord my eyes are on you
Be magnified!
Oh Lord be magnified*

I have made you too small in my eyes
Oh Lord forgive me
And I've believed in a lie
That you are unable to save me
But now Oh Lord I see my wrong
Heal my heart and show yourself strong
And in my life and with my song
Oh Lord be magnified (2X)

CHORUS

I have leaned on the wisdom of men
Oh Lord forgive me

And I have responded to them
Instead of your love and your mercy
But now Oh Lord I see my wrong
Heal my heart and show yourself strong
And in my life and with my song
Oh Lord be magnified (2X)

ALL WE LIKE SHEEP

Have gone astray
Each of us turning our own separate ways
We have all sinned and fallen short of your glory
But your glory is what we desire to see
And in your presence is where we long to be

Oh Lord show us your mercy your and grace
Take us to your holy place
Forgive our sins and heal our land
We long to live in your presence once again

Taking our sickness
Taking our shame
Jesus the sacrifice lamb that was slain
He was despised
Rejected by men he took our sins
Draw us near to you father through Jesus your son
Let us worship before you cleansed by your blood

CHORUS

HE WAS WOUNDED

He was wounded for our transgressions
And bruised for our iniquity
The chastisement of our peace was upon him
And by his stripes we are healed

We like sheep have gone astray
Turned each one to his own way
Still he took upon himself
The iniquity of us all

THE RIVER THAT FLOWS

There's a river that flows
From the fountain of God
And it heals everything along the way
I have tasted and know
That for every broken heart
There is healing in Jesus name

It doesn't matter what you've done
It doesn't matter where you've gone
It doesn't matter what you've said
It doesn't matter what you've been
It doesn't matter how you fell
Somewhere along the way
There is healing in Jesus name

YOU ARE THE LOVE OF MY LIFE

You are the love of my life
You are the hope that I cling to
You mean more than this world to me
I wouldn't trade silver or gold
I wouldn't trade riches untold
You are my everything (2X)

I couldn't take one step without you
I could never go on
I couldn't live one day without you
I don't have the strength to make it on my own

Until the world stops turning
Until the stars fade from the sky
Until the sun stops rising
I'll need you in my life
And here's the reason why (chorus)

ANYWHERE HE GOES

Anywhere he goes he is doing good
Almighty healer
He heals the lepers
When the crippled see him
They just start walking

Anywhere he goes
My Lord is doing good

He poured in the oil and the wine
The kind that restoreth my soul
He found me bleeding and dying
On the Jericho road
And He poured in the oil and the wine

Thanks For The Blood
The blood of Calvary
Thanks for the blood the blood that sets me free
Thanks for the blood thanks for Your love
Thank you Father for Jesus
Thank you Jesus for bleeding
Thank you Spirit for leading me to the cross

Come let us walk right into God Himself
Fully trusting Him to receive us
For He has provided us
An entrance into His presence
By the blood of Jesus we're atoned

SOMETHING NEW
Do something new in my life
Something new in my life
Something new in my life
Oh Lord

I cannot do without you
I cannot do without you
I cannot do without you
Oh Lord

MIRACLE GOD

**My God is a miracle God
My God is a miracle God
He will never change
He has never changed
He will do what He said He will do**

**I can see Him winning in my favour
I can see Him winning in my battle
I can see Him bringing in my miracle
He will do what He said He will do**

Lord I will run to you
*Lord I will run to you
To no other god
But to you alone*

*I will lay down my idols
The thrones I have made
And all that has taken my mind*

**My God is able, he is able
My God is able, he is able
I know he is able
I know my God is able
To carry me through**

***For he has healed the broken hearted
Set the captives free, healed the sick
Raised the dead and walked upon the sea***

*O give thanks unto the Lord
For he is so good
And his mercies endureth*

Forever AMEN

You Oh Lord are a sovereign God
Your ways are perfect and just
Full of power and full of love
You've shown us your fatherly heart

But we your people have gone astray
We frustrate your mercy and Grace
We've taken our lives into our hands
We stumbled and gone astray

So we humble ourselves before you
We confess our unfaithfulness towards you
Forgive our sin,
Remove our shame
Restore the church that bears your name
That revival may come to this land once again

The Wave of Your Glory

Spirit of the sovereign God
Come and make your presence known
Reveal the Glory of the risen God

Spirit of the sovereign God
Come and make your presence known
Reveal the Glory of the risen God

Chorus

*May the wave of your Glory cover us
May the life of your river flow
May the truth of your kingdom reign in us
May the wave of your Glory
May the wave of your Glory fall*

We do not seek your hand
We only seek your face
We long to know you
We want to see you reveal
Your presence in this place

Chorus

Hail King Jesus
All hail King Jesus
Give Him glory and

Honour and power
To His Majesty,
We lift up holy hands

Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
To His Majesty,
We lift up holy hands
Lord, we bless you,
We love you, adore you
Hallelujah

Blessed ye the Lord out of Zion
He that dwelleth at Jerusalem
Bless ye the Lord out of Zion
He that dwelleth at Jerusalem

Bless the Lord, O house of Israel
Bless the Lord, O house of Aaron
Bless the Lord, O house of Levi
Ye that fear the Lord, bless the Lord
Ye that fear the Lord, bless the Lord

You are worthy, Lord
You are worthy, Lord
You are worthy, Lord
You are worthy, Lord

Stand up stand up for Jesus

Ye soldiers of the cross
Lift high his royal banner
It must not suffer loss
From victory unto victory
His army shall he lead
Till every foe is vanquished
And Christ is Lord indeed

Stand up stand up for Jesus
The trumpet call obey
Forth to the mighty conflict
In this his glorious day
Ye that are men now serve him
Against unnumbered foes

Let courage rise with danger
And strength to strength oppose

Stand up stand up for Jesus
Stand in his strength alone
The arm of flesh will
Ye dare not trust your own
Put on the gospel armour
Each piece put on with prayer
Where duty calls or danger
Be never wanting there

Stand up stand up for Jesus
The strife will not be long
This day the noise of battle
The next the victors song
To him that overcometh
A crown of life shall be
He with the King of glory
Shall reign eternally

Show Us Your Glory Oh Lord (2ce)

**Let the dew of Heaven
Descend to us in sharing
Show us Your Glory Oh Lord**

Thy glory Thy glory

**The glory of the Lord
For as truly as I live
All the earth shall be filled
With the glory of the Lord**

God cannot lie

His word must surely come to pass
He will never lie
Because he's not a man

Holy Ghost, do it again

Do it again in my life
Open my eyes to see Jesus
Seated upon the throne

Lifted, I am lifted

I am lifted by the blood
Out of sin and sorrow
Into the presence of the Lord

I will never be the same again

I will never return, I've shut the door
I will walk the path, I'll run the race
And I will never be the same again

Fall like fire, soak like rain
Flow like mighty waters again and again
Sweep away the darkness, burn away the chaff
And let the flame burn to glorify your name
There are higher heights there are deeper seas
Whatever you need to do, Lord do in me
The glory of God fills my life
And I will never be the same again

My God is greater than my circumstance

My God is greater than my doubts and fears
He is the healer of my body and soul
My God is greater than it all

My God is mighty and is powerful
He is my refuge and my strong tower
He is beside me when I stand and when I fall
My God is greater than it all

My God is greater than this world I'm in
He overcame every temptation and sin
And when He died it all was buried with Him
My God has saved me from this life of sin

And now He lives in me and I in Him
Same power that raised him up now dwells in Him
I'll praise my Lord and Saviour everyday
My Lord is greater than it all

Instruments of peace

Where there is hatred we would show his love
Where there is injury we would never judge
Where there is striving we would speak His peace
To the people crying for release
We will be His instruments of peace

Lord make us instruments of your peace
Where there is hatred let your love increase
Lord make us instruments of your peace
Walls of pride and prejudice shall cease
When we are your instruments of peace

Where there is blindness we would pray for sight
Where there is darkness we would shine His light
Where there is sadness we would bear their grief
To the millions crying for release
We would be His instruments of peace

**Love grew where the blood fell
Flowers of hope sprang up for men in misery
Sin died where the blood fell
I'm so glad His precious blood covers me**

**See my Jesus on the cross, people crying
Looking on, a man would think it tragedy
But what the world could not see
Was that when they nailed him to that tree
It would break the chains of sin and set men free.**

**Thorns of violence and of hate were growing wildly
And the sorrows they had caused was plain to see
But when the blood came steaming down the cross
Where my Jesus bled and died
He started blooms of forgiveness flowing free.**

Chorus

**My heart flows out with praises to you lord
New creation you made me for your praise
You deserve honour majesty
Blessings and praises and power
You deserve glory and worship
Flowing from me to you lord**

**Ancient of days
Forever the same
As old as you are
You will never change**

You are Alpha and Omega

**We worship You our God
You are worthy to be praised {2ce
We give You all the glory
We worship You our God

Yahweh, Yahweh
You are wonderful**

So wonderful in your ways

How precious O Lord

Is your unfailing love

We take refuge

In the shadow of your wings

We feed Lord Jesus

From the abundance of your house

And we drink from the river of delight

In you is the fountain of life

In your light we see light

In you is the fountain of life

In your light Lord Jesus we see light

We declare O Holy Spirit

We proclaim you alone art God

We lift you high far above every idol

Because you are God

You alone art God

Ask me of the heathen for an inheritance

I will be exalted in the midst of the nations

We raise you up by the power of our praises

Because you are God

You alone art God

Praise ye the Lord

From whom all blessings flow

Praise ye the Lord

From whom all blessings flow

Praise ye the Lord

From whom all blessings flow

Praise Him forevermore

Through it All

Lord I thank you for the good times

And I thank you for the bad times

I thank you for the things

You've brought us through

'Cos if I never had a problem

Never know that God could solve it

Never knew what faith in His word could do

Through it all through it all
I've learnt to trust in Jesus
I've learnt to depend in God

I've had many tears and sorrows
I've had questions for tomorrow
Many times I didn't know what went wrong
But in every situation
God gave me blessed consolation
He only gave me trials to make me strong

He did not bring us out this far
To take us back again
He brought us out to take us
Into the Promised Land (2x)

Though there be giants in the land
We will not be afraid
He brought us out to take us
Into the Promised Land

Life Can Be So Empty

When you are living for your own gain
I thought that I had laid it all down
Until you showed me I picked it all up again
I thought I'd walked in the light, 'till
You showed me the darkness of my sin

I thought I knew a joyful sound until I heard the ringing of your voice once again in my ear

Oh Lord I long to know you
To serve you is my unquenchable desire
Father take this coldness from my spirit
Oh and turn this coldness to fire
Take my whole life and make it yours
Make my life an hallelujah
Fill my mouth with praise
Make my life an hallelujah to you Lord
I want to serve you all my days

Set me on fire, Let me be consumed
In your presence, I long to be
My life is so empty without you lord
My life is worth nothing without your spirit
Set me on fire, let me be consumed
In your presence I want to be

I love you my saviour, I love you my king
For your excellent greatness
Your praises I'll sing
I love you my saviour, I love you my king
Forever and ever your praises I'll sing

My God is an awesome God

My God is an awesome God
He will save to the uttermost
In Him alone my soul doth boast
My God is an awesome God

My God is a mighty God
My God is a mighty God
He will cleanse my iniquities
In Him alone I find my peace
My God is a mighty God

With my lips O God and my heart
I'll praise you O God, I'll praise you O God
With my lips O God and my heart

I'll praise you my wonderful God

**For you have been so very good to me
So very good to me, so very good to me
For you have been so very good to me
I'll praise you my wonderful God**

**Only by grace shall we enter
Only by grace shall we stand
Not by our human endeavour
But by the blood of the lamb
Into your presence you've called us
You called us to come
Into your presence you draw us
But by your grace we stand
Lord by your grace we stand**

All glory must be to the Lord
For He is worthy of our praise
No man on earth should give glory to himself
All the glory must be to the Lord

**In your presence I am content
In your presence I am content
In your presence there is life
Expressions of your love
Revelations of your power and might
In your presence I can bring**

**A love song offering
I'm in the presence of my king**

Alpha Omega

You are worthy of our praises today
You are worthy of our praises today

Thy kingdom come o Lord

Thy rule o Christ begin
Break with Thy iron rod
The tyrannies of sin

Where is the reign of peace
And purity and love
When shall all hatred cease
As in the realms above

When comes the promised time
That war shall be no more
And lust, oppression, crime
Shall flee Thy face before

We pray thee Lord arise,
And come in Thy great might
Revive our longing eyes
Which languish for Thy sight

Men scorn Thy sacred name
And wolves devour Thy fold
By many deeds of shame
We learn that love grows cold

O'er heathen lands afar
Thick darkness broodeth yet
Arise o morning star
Arise and never set

Just as I am, without one plea
But that thy blood was shed for me
And that thou bid'st me come to thee
O Lamb of God, I come! I come!

Just as I am, and waiting not,
To rid my soul of one dark blot,
To thee whose blood can cleanse each spot
O Lamb of God, I come! I come!

Just as I am, though tossed about
With many a conflict, many a doubt,
Fightings and fears within, without
O Lamb of God, I come! I come!

Just as I am poor, wretched, blind
Sight, riches, healing of the mind
Yea, all I need, in thee to find
O Lamb of God, I come! I come!

Just as I am, thou wilt receive
Will welcome, pardon, cleanse, relieve
Because thy promise I believe
O Lamb of God, I come! I come!

You are the only God,
there is none like you

JEHOVAH, you are the most high
JEHOVAH, you are the most high God
JEHOVAH, you are the most high
JEHOVAH, you are the most high God

IN YOUR PRESENCE

In your presence, that's where I belong
In your presence Oh Lord my God

CHORUS

In your presence, that's where I am strong
Seeking your face, touching your Grace
In the cleft of the rock
In your presence Oh God.

I want to go
Where the rivers cannot overflow me
Where my feet are on the rock.
I want to hide
Where the blazing fire cannot burn me
In your presence Oh God

CHORUS

I want to hide where the flood of evil cannot reach me
Where I'm covered by the blood
I want to be where the scheme of darkness
Cannot touch me
In your presence Oh God

Amazing Grace *How sweet the sound*
That saved a wretch like me
I once was lost but now am found
Was blind but now I see

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed *Chorus*

Through many dangers toils and snares
I have already come
'Tis grace hath brought me safe thus far
And grace will lead me home *Chorus*

The Lord has promised good to me
His Word my hope secures
He will my shield and portion be
As long as life endures *Chorus*

Yeh when this flesh and heart shall fail
And mortal life shall cease
I shall possess within the veil
A life of joy and peace *Chorus*

The earth shall soon dissolve like snow
The sun forbear to shine
But God who called me here below
Will be forever mine *Chorus*

When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we first begun *Chorus*

Psalm 91:1-2

He Shall Flow Like A River
He shall fall as the rain
He shall rise as the dawn
In glory o'er the plain
For the knowledge of the Lord
Shall fill all the earth
When the Spirit of the Lord shall flow

His presence fills this place
I can feel His sweet embrace
As the Spirit moves within me
We behold Him face to face
And the Glory of my God
Doth fill all my earth
As the Spirit of the Lord doth flow

Oh my God now reign supreme
Over every precious dream
Break the walls and the fences
Which long have come between
Climb my mountain steep and tall
Let the images now fall
That the Spirit of the Lord may flow

Oh His peace that He has given
And His rest belongs to me
His presence overshadows
And His love has set me free
I will call upon my Savior
And I'll worship at His throne
For the presence of the Lord is here

Oh the land is before us
But our weapons they are strong

Hear My Cry O Lord

Attend unto my prayer

From the ends of the earth do I cry unto Thee

When my heart is overwhelmed

Lead me to the Rock that is higher than I

That is higher than I

For Thou hast been a shelter unto me

And a strong tower from the enemy

When my heart is overwhelmed

Lead me to the Rock that is higher than I

That is higher than I

I Will Praise You O Lord
C G

With my whole heart

I will show forth all Your wondrous works
I will be glad and rejoice in You
I will praise Your name oh Most High

My foes are destroyed from before You
The wicked uprooted forgotten
God has established His throne forever
He shall judge the world in righteousness

The Lord is a tower for the oppressed
A refuge in times of distress
Those who know Your Name put their trust
In You who forgets not those who cry to You

I Will Serve Thee because I love Thee
You have given life to me
I was nothing until You found me
You have given life to me

Heartaches and broken pieces
Ruined lives are why you died on Calvary
Your touch is what I long for
You have given life to me

I Will Rejoice In You And Be Glad

I will extol your love more than wine
Draw me after you and let us run together
I will rejoice in you and be glad

Come to Zion come to Zion

From celestial worlds on high
And to man their power extending
That the saints may homeward fly

It Was A Day In Early Springtime
 By an ancient wayside well
 Eliezer paused to rest the camel train
 He had found a bride for Isaac
 As the evening shadows fell
 And his weary journey had not been in vain

Oh get ready evening shadows fall

*And don't you hear the Eliezer call
For there's going to be a wedding
And our joy will soon begin
In the evening when the camel train comes in*

He took the fair Rebecca
Draped with jewels rich and rare
Back to Abraham and Isaac far away
Now Rebecca loved her Isaac
And he loved Rebecca fair
Oh it must have been a happy wedding day *Ch*

Now the blessed Holy Spirit
Left the Father God above
To come down to earth to find a worthy bride
Now her Isaac over yonder
Has prepared His tents of love
And He wants His fair Rebecca by His side

I've Got A River Of Life
Flowing out of me
It makes the lame to walk and the blind to see
Opens prison doors sets the captives free
I've got a river of life flowing out of me

Spring Up Oh Well *within my soul*
Spring up oh well and make me whole
Spring up oh well and give to me
That life abundantly

There's a fountain flowing from the Saviour's side
All my sins forgiven in that precious tide
Jesus paid the price when for me He died
There's a fountain flowing from the Saviour's side
Chorus

There's a risen Saviour at the Father's Throne
Ever interceding for His very own
Pouring down the blessings that are His alone
There's a risen Saviour at the Father's Throne
Chorus

There's a Holy Comforter who's sent from Heaven
All the glorious gifts are His and have given
He'll show us more of Jesus 'til the veil is rived
There's a Holy Comforter who's sent from Heaven
Chorus

There's a land of rest that we may enter now
Freed from all our works and
Freed from satan's power
Just resting in the Lord each moment

And each hour
There's a land of rest that we may enter now
Chorus

There's a full salvation wrought for you and me
From faith to faith and glory to glory eternally
O Lord just take this life and let me live For Thee
There's a full salvation wrought for you and me

 How measureless and strong
 It shall forevermore endure
 The saints' and angels' song*

When hoary time shall pass away

 When men who hear refuse to pray
 On rocks and hills and mountains call
 God's love so sure shall still endure
 All measureless and strong
 Redeeming grace to Adam's race
 The saints' and angels' song *Chorus*

Could we with ink the oceans fill

 And every man a scribe by trade
 To write the love of God above
 Would drain the ocean dry
 Nor could the scroll contain the whole
 Tho' stretched from sky to sky *Chorus*

With this love that's from above
 That I might see my brother here
 Not with mine but eyes of love
 His weakness no longer there
 Only images of You
 In this we know Your word is true
 And we become one in You *Chorus*

But speak to us in quiet words**

**Turn your face into its blowing
Let it sweep throughout your soul
Let it work its inward cleansing
Bring deliverance and make whole**

All who resist will be destroyed
But unto those who yield to its force
Will you soar on the wings of His love*

We Are Gathered As the body of the Lord
And we lift our hearts in one accord
For He does not dwell in buildings made of stone
He lives within the hearts of men alone
And we're the hands, we're the feet
We're the ears, we're the eyes
He's the head of whose blood we are supplied
And as our hearts touch the union's form
Which cannot be disjoined
We are made visible the body of the Lord

We Are Standing On Holy Ground
And I know that there are angels all around
Let us praise Jesus now
We are standing in His presence
On Holy Ground

As I walked into the room I felt His presence
And I know this was the place where love abounds
For this is the temple that we'll all abide in
Oh we are standing in His presence
On Holy Ground *Chorus*

In His presence there is fullness
Beyond all measure
And at His feet peace of mind will be found

If you have a need I just know
He has the answer Reach out and claim it
I now walk on Holy Ground *Chorus*

What A Friend We Have In Jesus

All our sins and grief to bear
What a privilege to carry
Everything to God in prayer
O what peace we often forfeit
O what needless pain we bear
All because we do not carry
Everything to God in prayer

G

Have we trials and temptations
Is there trouble anywhere
We should never be discouraged
Take it to the Lord in prayer
Can we find a friend so faithful
Who will all our sorrows share
Jesus knows our every weakness
Take it to the Lord in prayer

Are we weak and heavy laden
Cumbered with a load of care
Precious Saviour still our refuge
Take it to the Lord in prayer
Do thy friends despise forsake thee
Take it to the Lord in prayer
In His arm He'll take and shield thee
Thou wilt find a solace there

What If Kingdoms Tumble Down

What if storm clouds roll

What if this world be destroyed

He'll take care of my soul

I have no need to fear the night

what terror it may bring

While I'm walking in the Light

I am walking with my King

A thousand may fall at thy side

And tens upon thy right

The terror shall not nigh thee come

For Jesus is thy might

A fortress and a tower is He

For all who dare to trust

Under the shadow of His Great Wing

Will He hide me from the night

When The Cry Is Made at the midnight hour

I will be, be ready Lord

When the bridegroom comes

Looking for His bride I will be, be ready Lord

My lamp will not be empty
Jesus is filling my vessels with His oil
At the midnight hour when the cry is made
Behold the bridegroom comes for His bride

I will be ready Lord, Yes I will be ready Lord
When the bridegroom comes for His bride (2 xs)

You are more than a conqueror
You are Lord of everything

Wisdom It Comes From The Lord

And patience from being tried
And character is built stone by stone
And courage through the fire
You know the Lord will give you anything
That your heart desires
So choose the high road
And choose the very best
Of the things which God can offer
Though their price is far beyond you
For Jesus paid the cost at Calvary

Faithfulness is not faithfulness
Until it's proven true
And virtue must be virtue still
With no one else around
You know the fruit of the spirit
Must be grown upon your tree
It won't come easy it takes adversity
And the pruning of the Father
Makes you grow a little stronger
So trust His loving hand to cut the wood away

And humility it can't be recognized
Or else it fades away
And maturity it comes by following
Jesus day by day
We're no longer children we're growing everyday
We want God's fullness we will not back away
Till we're standing in His presence
In full armor and obedience
Then the thrones of earth will melt and fall away

God wants an army that's paid the price to be
True disciples His sons in every way
You could choose the road more travelled
And the way would be much easier
But I'll choose the road that leads to Calvary

With A Grateful Heart

I will lift up my voice to lift up Your Name
For You have broken every chain
You have set me free to live a life of liberty
And I will lift up Your Name O my Jesus

When We Walk With The Lord
In the Light of His Word
What a glory He sheds on our way
While we do His good will He abides with us still
And with all who will trust and obey *Chorus*

Trust And Obey *for there's no other way*
To be happy in Jesus but to trust and obey

Not a shadow can rise not a cloud in the skies

But His smile quickly drives it away
Not a doubt nor a fear not a sigh nor a tear
Can abide while we trust and obey *Chorus*

Not a burden we bear not a sorrow we share
But our toil He doth richly repay
Not a grief nor a loss not a frown nor a cross
But is blest if we trust and obey *Chorus*

But we never can prove the delights of His love
Until all on the altar we lay
For the favor He shows and the joy He bestows
Are for them who will trust and obey *Chorus*

Then in fellowship sweet we will sit at His feet
Or we'll walk by His side in the way
What He says we will do
Where He sends we will go
Never fear only trust and obey *Chorus*

Now by this I'll overcome
Nothing but the blood of Jesus
Now by this I'll reach my Home
Nothing but the blood of Jesus *Chorus*

Glory Glory this I sing
Nothing but the blood of Jesus
All my praise for this I bring
Nothing but the blood of Jesus *Chorus*

When I Survey The Wondrous Cross
On which the Prince of Glory died
My richest gain I count but loss
And pour contempt on all my pride

Forbid it Lord that I should boast
Save in the death of Christ my God
All the vain things that charm me most
I sacrifice them to His blood

See from His head His hands His feet
Sorrow and love flow mingled down
Did e'er such love and sorrow meet
Or thorns compose so rich a crown

Were the whole realm of nature mine
That were a present far too small
Love so amazing so divine
Demands my soul my life my all

Lifted, I am lifted I am lifted

By the blood(Word)

Out of sin and sorrow

Into the presence of the LORD

Awesome God... echo Mighty God...echo

We give you praise, Awesome God

You are highly lifted up Awesome God

You are highly lifted up Mighty God

We bless you,

We bless you O LORD

We bless you,

We bless you O LORD

In our lives LORD

We see what you are doing

One more time LORD

We lift our hearts in praise of your name (X2)

I know my redeemer lives;

I know my redeemer lives

All of creation testifies, And His life within me cries

I know my redeemer lives

Out of the Ashes of my dying today

I see the breaking of a brand new day

In which the name of the Lord alone is glorified

I see the breaking of a brand new day.

OUR FATHER

Here our cry, we are your children

And we're gathered here today

We're gathered here to pray

Hear our voice, oh Lord we need your mercy

And we need your grace today

Hear us as we pray

*Our father, who art in heaven
Hallowed be your name
Our father, hear us from heaven
Forgive our sins we pray*

**Hear our song as it rises to heaven
May your glory fill this place
As the waters cover the sea
See our hearts, and remove everything
That is standing in the way
Of coming to you today**

CHORUS

DESCANT

*Though we are few
We're surrounded by many
Who have crossed that river before
This is the song we'll be singing forever
Holy is the Lord (6X)*

HOLY IS HIS NAME

**My soul proclaims the greatness of the Lord
And my spirit exalts in God my savior
For he has looked with mercy on my lowliness
And his name will forever be exalted
For my mighty God has done great things for me
And his Praise will reach
From age to age
Holy, Holy, Holy is His name (2X)**

IN TIMES LIKE THIS

In times like this, we need a savior
In times like this, we need an anchor
Be very sure, be very sure
Your anchor holds, On Christ the solid rock
This rock is Jesus, He is the Lord
This rock is Jesus, God's only son
Be very sure, be very sure
Your anchor holds, On Christ the solid rock

We place you at the highest place

**For you are the great high priest
We place you far above all earth**

As we come to you to worship at your feet

ALL OTHER GODS

**They are the works of men
You are the only God,
There is none like you**

*JEHOVAH, you are the most high
JEHOVAH, you are the most high God
JEHOVAH, you are the most high
JEHOVAH, you are the most high God*

IN YOUR PRESENCE

In your presence, that's where I belong
In your presence Oh Lord my God

CHORUS

*In your presence, that's where I am strong
Seeking your face, touching your Grace
In the cleft of the rock
In your presence Oh God.*

I want to go
Where the rivers cannot overflow me
Where my feet are on the rock.
I want to hide
Where the blazing fire cannot burn me
In your presence Oh God

CHORUS

I want to hide where the flood of evil cannot reach me
Where I'm covered by the blood
I want to be where the scheme of darkness
Cannot touch me
In your presence Oh God

SHOUTS OF JOY

Shouts of Joy and victory resound
In the tents of the righteous of the Lord
Shouts of Joy and victory resound
In the tents of the righteous of the Lord
The Lord's right hand
Has done mighty things for us
The Lord's right hand is lifted high
The Lord's right hand
Has done mighty things for us
The Lord's right hand is on high

Clap your hands all ye people
Clap your hands unto the Lord
Shout unto God with your voice
A voice of triumph

For the lord most high is terrible
He is a great king over all the earth
He shall subdue the nations under us
The nations under our feet

For the Lord is a great God
And a great King above all the earth

FOR THE LORD IS WORTHY

Praise him, praise him
Praise him all day long
Praise him, praise him
Praise him with our song

For the Lord is worthy
Worthy to receive all praise
You alone are worthy
Worthy to receive all praise

COME LET US ADORE

Come let us adore (2X)
Our everlasting God (2X)
And render praise unto him
He who stretched out the heavens

And establisheth the earth
And gives his peace
To his children here on earth

We bless you our God (8X)
He who stretched out the heavens
And establisheth the earth
And gives his peace
To his children here on earth

GREAT GOD

Our God is a great God
A great King above other gods

THE LORD

The Lord reigneth let the earth tremble

CHORUS

*Spirit touch your church, Stir the hearts of men
Revive us Lord, With your passion once again
I want to care for others, as Jesus cares for me
Let your rain fall upon me
Let your rain fall upon me*

Lord we humbly come before you
We don't deserve of you what we ask
But we yearn to see your glory
Restore this dying church

CHORUS

Lord we need your grace and mercy
We need to pray like never before
We need the power of the holy Spirit
To open heavens door

CHORUS

The Lord reigns (2X)
Let the earth rejoice (3X)
Let the people be glad
That our God reigns

DRAW ME NEARER TO THEE

Take me by thy side o Lord
Draw me nearer, nearer to thee
Take me by thy side o Lord
Draw me nearer, nearer to thee

My song everyday is father draw me nearer
Draw me nearer, nearer to thee

CHORUS

*If your presence doesn't go with us
Lord we don't want to leave this place
Lord we need you near, as we go from here
To lead us by your love and grace
May your presence fill us everyday
May your spirit lead the way
Lord to you we call, let your glory fall
And may your presence go with us*

If we have found favor in your sight
Show us your ways Oh Lord
'cause we want to know you
And live in your light
For all of our days, show us your ways

We have our hopes and we have our dreams
But we cannot go where you will not lead

(REPEAT CHORUS)

Lord to you we call, let your glory fall
And may your presence go with us (2X)

BE MAGNIFIED OH LORD!

*Be magnified Oh Lord
You are highly exalted
And there is nothing you can't do
Oh Lord my eyes are on you
Be magnified!
Oh Lord be magnified*

I have made you too small in my eyes
Oh Lord forgive me
And I've believed in a lie
That you are unable to save me
But now Oh Lord I see my wrong
Heal my heart and show yourself strong
And in my life and with my song
Oh Lord be magnified (2X)

CHORUS

I have leaned on the wisdom of men
Oh Lord forgive me
And I have responded to them
Instead of your love and your mercy
But now Oh Lord I see my wrong
Heal my heart and show yourself strong
And in my life and with my song
Oh Lord be magnified (2X)

ALL WE LIKE SHEEP

Have gone astray
Each of us turning our own separate ways
We have all sinned and fallen short of your glory
But your glory is what we desire to see
And in your presence is where we long to be

Oh Lord show us your mercy your and grace
Take us to your holy place
Forgive our sins and heal our land
We long to live in your presence once again

Taking our sickness
Taking our shame
Jesus the sacrifice lamb that was slain
He was despised
Rejected by men he took our sins
Draw us near to you father through Jesus your son
Let us worship before you cleansed by your blood

HE WAS WOUNDED

He was wounded for our transgressions
And bruised for our iniquity
The chastisement of our peace was upon him
And by his stripes we are healed

We like sheep have gone astray
Turned each one to his own way
Still he took upon himself
The iniquity of us all

THE RIVER THAT FLOWS

There's a river that flows
From the fountain of God
And it heals everything along the way
I have tasted and know
That for every broken heart
There is healing in Jesus name

It doesn't matter what you've done
It doesn't matter where you've gone
It doesn't matter what you've said
It doesn't matter where you've been
It doesn't matter how you fell
Somewhere along the way
There is healing in Jesus name

THERE IS A REDEEMER

**There is a redeemer
Jesus Gods own son
Precious Lamb of God messiah
Holy one**

**Thank you Oh my father
For giving us your son**

**And leaving your spirit till
Your work on earth is done**

TODAY OH!

**Today Oh! I will lift up my voice in praise
Today Oh! I will lift up my voice in praise
For I know you are always there for me
Almighty God, You are my all in all
No matter what I face,
When trouble comes my way I will praise your name**

**You alone are worthy Lord, to be praised and adored
You alone are worthy Lord, to be praised and adored
You've been faithful Lord, through the ages past
That is why your name is forever more**

YOU ARE WELCOME

**You are welcome, More than welcome
To abide in this temple, To reside in this place
You are welcome, More than welcome
Holy spirit come and fill this place**

**We are gathering together
To worship at your throne
To exalt the name of Jesus
To worship him alone
He is worthy of our praises
So we lift our voices high
Spirit come fill this place
Spirit come fill this place**

**Let your spirit come
Let your will be done
Let your presence fall on me
Christ you set me free
You are my liberty
Let your presence fall on me**

THE AIR I BREATHE

This is the air I breathe (2X)

Your holy presence

Living in me

This is my daily bread (2X)

Your very word

Spoken to me

And I.....am desperate for you

And I.....am lost without you

REPEAT

YOU ARE THE LOVE OF MY LIFE

You are the love of my life

You are the hope that I cling to

You mean more than this world to me

I wouldn't trade You for silver or gold

I wouldn't trade you for riches untold

You are, You are my everything

I couldn't take one step without you

I could never go on

I couldn't live one day without you

I don't have the strength to make it on my own

Until the world stops turning

Until the stars fade from the sky

Until the sun stops rising

I'll need you in my life

And here's the reason why (chorus)

Draw me close to you

Never let me go

I lay it all down again

To hear you say that I'm your friend

You are my desire

No one else would do

**'Cos no one else can take your place
To feel the warmth of your embrace
Help me find the Way
Bring me back to you**

CHORUS

**You're all I want
You're all I ever needed
You're all I want
Help me know you are near**

WE ARE HEIRS

We are heirs of the father
We are joint heirs with the son
We are children of the kingdom
We are family, we are one

We're partakers of his suffering
We're partakers of his grace
We shall be changed to be like him
When we meet him face to face

We're partakers of his suffering
We have risen with the Lord
We will reign with the Lord
In his coming kingdom

We are washed
We are sanctified

THANK YOU LORD

**What shall I say unto my Lord
All I have to say is thank you Lord
What shall I say unto my Lord
All I have to say is thank you Lord
Thank you Lord Thank you Lord
All I have to say is thank you Lord**

HOLY GHOST FIRE

Holy Ghost fire
Fire fall on me
As in the days of Pentecost
Fire fall on me
Holy Ghost fire
Fire fall on me

Stand up stand up for Jesus

Ye soldiers of the cross
Lift high his royal banner
It must not suffer loss
From victory unto victory
His army shall he lead
Till every foe is vanquished
And Christ is Lord indeed

Stand up stand up for Jesus
The trumpet call obey
Forth to the mighty conflict
In this his glorious day
Ye that are men now serve him
Against unnumbered foes
Let courage rise with danger
And strength to strength oppose

Stand up stand up for Jesus
Stand in his strength alone
The arm of flesh will fail you
Ye dare not trust your own
Put on the gospel armour
Each piece put on with prayer
Where duty calls or danger
Be never wanting there

Stand up stand up for Jesus
The strife will not be long
This day the noise of battle
The next the victors song
To him that overcometh
A crown of life shall be
He with the King of glory
Shall reign eternally

SHOW US YOUR GLORY OH LORD

**Show us your Glory Oh Lord
Let the dew of Heaven
Descend to us in sharing
Show us your Glory Oh Lord**

God cannot lie

His word must surely come to pass
He will never lie
Because he's not a man

Holy Ghost, do it again

**Do it again in my life
Open my eyes to see Jesus
Seated upon the throne**

Lifted, I am lifted

I am lifted by the blood
Out of sin and sorrow
Into the presence of the Lord

I will never be the same again

**I will never return, I've shut the door
I will walk the path, I'll run the race
And I will never be the same again**

Fall like fire, soak like rain

**Flow like mighty waters again and again
Sweep away the darkness, burn away the chaff
And let the flame burn to glorify your name**

**There are higher heights there are deeper seas
Whatever you need to do, Lord do in me**

**The glory of God fills my life(soul)
And I will never be the same again**

My God is greater than my circumstance

My God is greater than my doubts and fears
He is the healer of my body and soul
My God is greater than it all

My God is mighty and is powerful
He is my refuge and my strong tower
He is beside me when I stand and when I fall
My God is greater than it all

My God is greater than this world I'm in
He overcame every temptation and sin
And when He died it all was buried with Him
My God has saved me from this life of sin

And now He lives in me and I in Him
Same power that raised him up now dwells in Him
I'll praise my Lord and Saviour everyday
My Lord is greater than it all

Where there is darkness we would shine His light
Where there is sadness we would bear their grief

And we drink from the river of delight**

**In You is the fountain of life
In Your light we see light
In You is the fountain of life
In Your light Lord Jesus we see light**

**We declare O Holy Spirit
We proclaim you alone art God
We lift you high far above every idol
Because you are God
You alone art God**

**Ask of the heathen for an inheritance
I will be exalted in the midst of the nations
Raise me up by the power of your praises
Because I am God, I alone art God**

**We ask you of the heathen for our inheritance
Be exalted in the midst of the nations
We raise you up by the power of our praises**

Because you are God
You alone art God

Praise ye the Lord

From whom all blessings flow
From whom all blessings flow
From whom all blessings flow
Praise ye the Lord
From whom all blessings flow
Praise Him forevermore

Through it All

**Lord I thank you for the mountains
And I thank you for the valley
I thank you for the storms
You've brought us through
'Cos if I never had a problem
Never know that God could solve them
Never knew what faith in His word could do**

**Through it all through it all
I've learnt to trust in Jesus
Through it all through it all
I've learnt to depend upon his word**

I've learnt to trust in God

I've had many tears and sorrows
I've had questions for tomorrow
Many times I didn't know what went wrong
But in every situation

God gave me blessed consolation
He only gave me trials to make me strong

My heart rejoiceth in the Lord
My horn is exalted in the Lord
My mouth is enlarged over my enemies
I rejoice in thy salvation

There is none holy as the Lord
There is none besides thee
Neither is there any rock as the Lord
There is none holy as the Lord

You did not bring us out this far
To take us back again
You brought us out to take us
Into the Promised Land
Though there be giants in the land
We will not be afraid
You brought us out to take us
Into the Promised Land

Life Can Be So Empty

When you are living for your own gain
I thought that I had laid it all down
Until you showed me I picked it all up again
I thought I'd walked in the light, 'till
You showed me the darkness of my sin
I thought I knew a joyful sound until I heard the ringing of your voice once again in my ear

Oh Lord I long to know you
To serve you is my unquenchable desire
Father take this coldness from my spirit

Oh and turn this coldness to fire
Take my whole life and make it yours
Make my life an hallelujah
Fill my mouth with praise
Make my life an hallelujah to you Lord
I want to serve you all my days

Set me on fire, Let me be consumed
In your presence I long to be
My life is so empty without you Lord
My life is worth nothing without your Spirit
Set me on fire, let me be consumed
In your presence I want to be

I love you my saviour, I love you my king
For your excellent greatness
Your praises I'll sing
I love you my saviour, I love you my king
Forever and ever your praises I'll sing

My God is an awesome God
My God is an awesome God
He will save to the uttermost
In Him alone my soul doth boast
My God is an awesome God

My God is a mighty God
My God is a mighty God
He will cleanse my iniquities
In Him alone I find my peace
My God is a mighty God

With my lips Oh God and my heart
I'll praise you Oh God; I'll praise you Oh God
With my lips Oh God and my heart
I'll praise you my wonderful God

For you have been so very good (merciful) to me
So very good to me, so very good (merciful) to me
For you have been so very good (merciful) to me
I'll praise you my wonderful God

I need thee every hour, most gracious Lord

No tender voice like thine can peace afford

I need thee, o I need thee
Every hour I need thee
O bless me now my saviour
I come to thee

I need thee every hour, stay thou nearby
Temptations loose their power when thou art nigh

I need thee every hour, in joy or pain
Come quickly and abide or life is vain

I need thee every hour, most holy one
O make me thine indeed thou blessed son

Low in the grave He lay – Jesus my saviour
Waiting the coming day – Jesus my Lord

Up from the grave He arose
With a mighty triumph o'er His foes
He arose a victor from the dark domain
And He lives forever with His saints to reign
He arose! He arose! Hallelujah! Christ arose!

Vainly they watch His bed – Jesus my saviour
Vainly they seal the dead – Jesus my Lord

Death cannot keep his prey – Jesus my saviour
He tore the bars away – Jesus my Lord

There's not a friend like the lowly Jesus

No, not one! No, not one!
None else could heal all our souls' diseases
No, not one! No, not one!

*Jesus knows all about our struggle
He will guide till the day is done
There's not a friend like the lowly Jesus
No, not one! No, not one!*

No friend like Him is so high and holy
No, not one! No, not one!
And yet no friend is so meek and lowly
No, not one! No, not one!

There's not an hour that He is not near us
No, not one! No, not one!
No night so dark but His love can cheer us
No, not one! No, not one!

Did ever saint find this friend forsake him
No, not one! No, not one!
Or sinner find that He will not take him
No, not one! No, not one!

Was e'er a gift like the saviour given?
No, not one! No, not one!
Will He refuse us a home in heaven?
No, not one! No, not one!

Within the veil

**I long to come
Into your holiest place
To look upon your face
I see such beauty there
None other can compare
I worship You O Lord
Within the veil**

**How Great Is Our God
Sing with me how great**

**Is our God
And all will sing with me
How great is our God
How great how great is our God**

**You're the name above all names
You're worthy of our praise
And my heart will sing
How great is our god**

Thank you Lord

I come before you today
And there's just one thing
That I want to say
Thank you Lord
Thank you Lord

For all you've given to me
For all the blessings that I cannot see
Thank you lord
Thank you lord

With a grateful heart
With a song of praise
With an outstretched arm
I will bless your name

Thank you lord
I just want to thank you lord
Thank you lord
I just want to thank you lord
Thank you lord

**Worthy, worthy, worthy is the Lamb
Worthy, worthy, worthy is the Lamb
Glory, Glory, Glory to the lamb
For you are glorious and worthy to be praised
The Lamb upon the throne
And unto you we lift our voice in praise
The Lamb upon the throne**

Holy, holy, holy.....

O that men will praise the Lord
O that men will praise the Lord
For His goodness and for
His wonderful works
To the children of men
To the children of men
He has broken the gates of brass
And cut the bars of iron in sunder

We enter into the holy of holies
We enter by the blood of the lamb
We enter to worship you only
We enter to honour I Am
Lord we worship you
We worship you
For your name is holy
Your name is holy
Holy lord

I will praise you Lord
With every breath that I take
I will praise you Lord
This promise I make
When eternity ends
And starts over again
Even then I will praise you Lord

No love is great
Than the love you have shown
No one can be as forgiving
You took me up from a world filled with sin
You made my life worth a living

I want to live inside of your love
Just as you live in Your fathers'
I want the world to know we are one
So our lives can shine/touch on each others

Holy, holy, holy is the Lord
Glory, glory, glory to the Lamb

**Holy, holy, holy is the lamb
For you are glorious
And worthy to be praised
The lamb upon the throne
And unto you we lift our voice in praise
The lamb upon the throne**

Revive us o lord

Hallelujah, thine the glory
Hallelujah, amen
Hallelujah, thine the glory
Revive us o Lord

**We place You at the highest place
For you are the great high Priest
We place you far above all else
As we come to you to worship at your feet**

As we worship in Your presence

**There is healing
The Holy Spirit's gentle touch is moving
Jesus I believe
Jesus there is healing in Your Name
Almighty father we lift our hands to You
We receive the power
To heal as You would do**

**How marvelous, how wonderful
And my song shall ever be
How marvelous, how wonderful
Is my saviour's love for me**

Will your anchor hold in the storms of life
When the clouds unfold their wings of strife
When the strong tides lift and the cables strain
Will your anchor drift or firm remain

We have an anchor that keeps the soul
Steadfast and sure while the billows roll
Fastened to the rock which cannot move
Grounded firm and deep in the saviour's love

Will your anchor hold in the straits of fear
When the breakers roar and the reef is near
While the surges rave and the wild winds blow
Shall the angry waves then your bark o'erflow

Will your anchor hold in the floods of death
When the waters cold chill your latest breadth
On the rising tide you can never fail
While your anchor holds within the veil

Will your eyes behold through the morning light
The city of gold and the harbour bright
Will you anchor safe by the heavenly shore
When life's storms are past for evermore

Lord I believe [2x]
All things are possible
Lord I believe

Jesus is here [2x]
All things are possible

Lord I come to You today
With a simple prayer to make
That in everything I do
Let my life O Lord praise You

Lord You formed me out of clay

**For Your glory I was made
Use this vessel as You choose
Let my life O Lord praise You**

**Praise You praise You
Let my life O Lord praise You**

**Touch me one more time O Lord
Touch me one more time O Lord**

**I need a touch from the master
I need a touch from the Lord
Touch me one more time O Lord**

We are able to go forth and take the land
To possess the land from Jordan to the sea
Though the giants may be on the way to hinder
God will surely give us victory

Only move on to the righteous side
Move on to the righteous side with God

Hide me now under your wings
Cover me within your mighty hands

When the oceans rise and thunders roar
I will soar with you above the storm
Father you are king over the flood
And I will be still and know you are God
And I will be still and know you are God

Find rest my soul in Christ alone
Know His power in quietness and trust

Be still and know that I am God {3x
I am the Lord that healeth thee {3x
I am the Lord that changeth not {3x

My glory and the lifter of my head
For thou O Lord art a shield for me

My glory and the lifter of my head

I cry unto the Lord with my voice
And He heard me out of His Holy hill
I cry unto the Lord with my voice
And He heard me from His holy hill

Above all powers above all kings
Above all nature and all created things
Above all wisdom and all the ways of man
You were here before the world began

Above all kingdoms above all thrones
Above all wonders the world has ever known
Above all wealth and treasures of the earth
There's no way to measure what you're worth

Crucified, laid behind a stone
You lived to die Rejected and alone
Like a rose trampled on the ground
You took the fall and thought of me
Above all

It is no longer I that liveth

But Christ that liveth in me
It is no longer I that liveth
But Christ that liveth in me
He lives, He lives
Jesus is alive in me
It is no longer I that liveth
But Christ that liveth in me

Lord! The light of your word is shining

In the midst of the darkness is shining
Jesus light of the world shine upon us

Set us free by the truth You are in us
Shine on me

Chorus

Shine! Jesus shine! Fill this earth with
The father's glory; blaze spirit blaze
Set our hearts on fire; flow river flow
Flood the Nations with grace and
Mercy, send forth Your word
Lord and let there be light

Lord I come to Your awesome presence
From the shadow into Your radiance
By Your blood I may enter your brightness
Search me, try me, consume all my darkness
Shine on me

As we gaze on your kingly brightness
So our faces display Your likeness
Ever changing from glory to glory
Nearer, deep, may our life tell your story
Shine on me

There is therefore

**Now no condemnation
For those who are in Christ Jesus**

**For the law of the Spirit
Of life in Christ Jesus
Has set you free
From the law of sin and death**

For Jesus makes everything new

I gave Him my old tattered garment
He gave me a robe of pure white
I am feasting today on the manna
For Jesus makes everything new

I know it was the blood

I know it was the blood
I know it was the blood for me
One day when I was lost
Jesus died upon the cross
Since then it's been the blood for me

Redeemer, Saviour, friend

I know you had me on your mind
When you climbed up on that hill
For you saw me with eternal eyes
While I was yet in sin
Redeemer, saviour, friend

Every stripe upon your battered back
Every thorn that pierced your brow
And every nail drove deep
Through guiltless hands
Said that your love knows no end
Redeemer, saviour, friend

Redeemer redeem my heart again
Saviour, come and shelter me from sin
You're familiar with my weakness
Devoted to the end
Redeemer, saviour, friend

So the grace you've poured upon my life
Will return to you in praise
And I'll gladly lay down

All my crowns for the name
By which I'm saved
For the name by which I'm saved

You are awesome in this place
Mighty God

When the LORD turned again the captive of Zion,
We were like them that dream.
Then was our mouth filled with laughter, And our tongue with singing
Then said they among the heathen,
The LORD hath done great things for them.
The LORD hath done great things for us; whereof we are glad.
That the lord has done great things

For I'm building a people of power,
And I'm making a people of praise
That will move through this land by My Spirit,
And will glorify My precious name.

Make us strong, Lord,*

*Join our hearts, Lord, through Your Son.

We are happy people

Praise the Lord

For we have the bible

Gods own word

Satan took a hold of it

Jesus came and set me free

On the cross of Calvary

O praise the Lord

We have thought of your loving-kindness O Lord

In the midst of thy temple

According to your name O Lord

So is thy praise unto the ends of the earth

Thy right hand is full of righteousness

Thy right hand is full of righteousness

I am feeding on the living bread
I am drinking from the fountain head
And whoso drinketh, Jesus says
Shall never never thirst again

What? Never thirst again
Yes, never thirst again
What? Never thirst again
Yes, never thirst again
And whoso drinketh, Jesus says
Shall never never thirst again

I'm gonna praise the Lord
The devil cannot stop me
I'm gonna praise the Lord
In every situation
Up in the mountain, down in the valley
I'm gonna praise the Lord
For His faithfulness, hallelujah
I'm gonna praise the Lord

When I think of the goodness of Jesus
And all He has done for me
My very soul shall shout hallelujah
Praise God for saving me

Be it unto me according to your word
According to your promises
I can stand secured
Engrave upon my heart
The truth that sets me free
According to your word O Lord
Be it unto me

Hallowed be your name
Our father, hear us from heaven

See our hearts, and remove everything
That is standing in the way
Of coming to you today

We're surrounded by many

CHORUS

*In your presence, that's where I am strong
Seeking your face, touching your Grace
In the cleft of the rock
In your presence Oh God.*

I want to go
Where the rivers cannot overflow me
Where my feet are on the rock.
I want to hide
Where the blazing fire cannot burn me
In your presence Oh God

CHORUS

I want to hide where the flood of evil cannot reach me
Where I'm covered by the blood
I want to be where the scheme of darkness
Cannot touch me
In your presence Oh God

SHOUTS OF JOY

Shouts of Joy and victory resound
in the tents of the righteous of the Lord
Shouts of Joy and victory resounds

The nations under our feet

For the Lord is a great God
And a great King above all the earth

Worthy to receive all praise
You alone are worthy
Worthy to receive all praise

But we yearn to see your glory
Restore this dying church

BE MAGNIFIED OH LORD!

You are highly exalted
And there is nothing you cant do
Oh Lord my eyes are on you
Be magnified!
Oh Lord be magnified***

I have made you too small in my eyes
Oh Lord forgive me
And I've believed in a lie
That you are unable to save me
But now Oh Lord I see my wrong
Heal my heart and show yourself strong
And in my life and with my song
Oh Lord be magnified (2X)

CHORUS

I have leaned on the wisdom of men
Oh Lord forgive me
And I have responded to them
Instead of your love and your mercy
But now Oh Lord I see my wrong

And in my life and with my song
Oh Lord be magnified (2X)

ALL WE LIKE SHEEP

Have gone astray
Each of us turning our own separate ways
We have all sinned and fallen short of your glory
But your glory is what we desire to see
And in your presence is where we long to be

Oh Lord show us your mercy your and grace
Take us to your holy place
Forgive our sins and heal our land
We long to live in your presence once again

Taking our sickness
Taking our shame
Jesus the sacrifice lamb that was slain
He was despised
Rejected by men he took our sins
Draw us near to you father through Jesus your son
Let us worship before you cleansed by your blood

CHORUS

HE WAS WOUNDED

He was wounded for our transgressions
And bruised for our iniquity
The chastisement of our peace was upon him
And by his stripes we are healed

We like sheep have gone astray
Turned each one to his own way
Still he took upon himself
The iniquity of us all

YOU ARE WELCOME

You are welcome, More than welcome
To abide in this temple, To reside in this place
You are welcome, More than welcome
Holy spirit come and fill this place

We are gathering together
To worship at your throne
To exalt the name of Jesus
To worship him alone
He is worthy of our praises
So we lift our voices high
Spirit come fill this place

Spirit come fill this place

Let your spirit come
Let your will be done
Let your presence fall on me
Christ you set me free
You are my liberty
Let your presence fall on me

DAYS OF ELIJAH

These are the days of Elijah
Declaring the word of the Lord
These are the days of thy servant, Moses
Righteousness being restored
And these are the days of great trials
Of famine, and darkness and sword
And we are the voice in the desert
Crying prepare ye the way of the Lord

CHORUS

***Behold he comes, riding on the clouds
Shining like the sun
At the trumpet call
Lift your voice, it's the year of jubilee
Out of Zion's hill salvation comes***

These are the days of Ezekiel
The dry bones becoming as flesh
These are the days of your servant, David
Rebuilding the temple of praise
And these are the days of the harvest
The fields are as white in the world
And we are the laborers in your vineyard
Declaring the word of the Lord

CHORUS

Descant

There's no God like Jehovah 4X

There's no God like Jehovah 4X

God cannot lie
His word must surely come to pass

He will never lie
Because he's not a man

**We are able to go forth and take the country
To possess the land from Jordan to the sea
Though the giants may be on our way to hinder
God will surely give us victory**

**Only move on to the righteous side
Move on to the righteous side
Move on to the righteous side with God**

Lord I believe [2x]

O lord x2

Release Your power

And let Your presence fall

We give you glory Lord

As we honor you (x2)
You are wonderful
You are worthy oh Lord (x2)

Shepherd of my soul
I give You full control
Wherever You may lead, I will follow
I have made a choice
To listen for Your voice
Wherever You may lead, I will go

Be it in the quiet pasture
Or by the gentle streams
The shepherd of my soul is by my side
Should I face a mighty mountain
Or a valley dark and deep
The shepherd of my soul will be my guide

IN CHRIST ALONE
My hope is found
He is my light, my strength, my song
This cornerstone this solid ground
Firm through the fiercest drought and storm

What heights of love
What depths of peace
When fears are stilled
When strivings cease
My comforter
My all in all
Here in the love of Christ I stand

In Christ alone who took on flesh
Fullness of God in helpless babe
This gift of love and righteousness

Scorned by the ones he came to save
Till on that cross as Jesus died
The wrath of God was satisfied
For every sin on him was laid
Here in the death of Christ I live

There in the ground His body laid
Light of the world by darkness slain
Then bursting forth in glorious day
Up from the grave He rose again
And as he stands in victory
Sin's curse has lost its grip on me
For I am His and He is mine
Bought with the precious blood of Christ

No guilt in life, no fear in death
This is the power of Christ in me
From life's first cry to final breath
Jesus commands my destiny
No power of hell, no scheme of man
Can ever pluck me from His hand
Till he returns or calls me home
Here in the power of Christ I'll stand

Quench this thirst

Fill this void and emptiness
Shine your light on my darkness
Satisfy and restore my soul
I long for you, make me whole

Chorus

Come quench this thirsting
Lord I am ready
Here I am waiting
Come fill my heart
You are the only one who can fill me
Here I am waiting
Come fill my heart

Come fill my life I am incomplete
Let your love rain down on me
I need you more Lord I confess
More of you and nothing less

**Come and fill me
I am thirsty
For you only
Lord so holy
Come and fill me
I am thirsty
For you only
Lord so holy**

**By Your Blood
You crushed principalities
Jesus, Jesus
By your name
You established authority
Jesus, Jesus the righteous**

**Jesus, Jesus Jesus
You have conquered all
Jesus, Jesus Jesus
You reign overall**

**Lift Jesus higher
Lift Jesus higher
Lift Him up for the world to see
He said if I be lifted high
From the earth
I will draw all men unto me**

**O give thanks unto the Lord
For He is so good
And His mercy endureth forever Amen**

And when the father draws him
It is only by His grace
Oh Lord I pray you draw me
With every breathe I take
And change my heart
Forever that I may see Your face

Only by him shall we live
And when we eat of his flesh

Unto the lord be the glory

Great things he has done

Unto the lord be the glory

Great things he has done

The heavens are telling a story

It's a story of the glory of God

And the sky up above is declaring

The works of His hands

Day after day it goes on

Night after night their wisdom is heard

Yet there is no voice and there is no words

But the story's is gone on to ends of the earth

Hallelujah for the Lord God reigneth

From the ends of the earth

We declare your glory

Hallelujah for the righteous shall shine

As the stars of the sky

In the heavens God's placed a chamber

It's a dwelling place made for the sun

Who like the bridegroom comes forth

From His chamber He's been with His bride

Like a champion mighty is He

Rejoicing to race He's ready to run
To rise in the east and set in the west
O nothing is hid from the heat of the sun

Hallelujah for the Lord God reigneth
From the ends of the earth
We declare your glory
Hallelujah for the righteous shall shine
As the stars of the sky

As the stars of the sky
And His glory be seen
For the righteous shall shine
As the stars of the sky

This is the day of joy
The day of joy x3

Oh Lord you have been so good
You are so good to me

Chorus:

How my soul longs for you, longs to worship you forever, In your power and majesty. I lift my hands, I lift my heart, I lift my voice towards the heavens, for you are my sword and shield.

Hear this praises from a grateful heart, each time I think of you, the praises start,

He will make your lame to walk again

He will set your captives free

Every prison shall be opened

Every yoke he'll take away

And the Lord shall reign in Zion

For in Him a Sabbath rest.

Chorus

Rivers shall Flow in the wilderness

Flow from heavenly places

For the earth shall be filled with His holiness

Forever and ever more

Every valley shall be exalted

Every mountain be made low

All the crooked shall be straight again

E'er the spirit of the Lord shall flow

Like rivers in a high plain

Like flood on a burning sand

Upon the poor and needy

God's blessings shall descend

Oh Lord our hearts are thirsty for the promised latter rain

When the mighty signs and wonders

The word proclaim again

Just to filled with power and glory

To be filled with love divine

Just to hear thy word from heaven

I have chosen thee than art mine.
